Accounts will show annual fees payable in full at the start of the year, in three instalments or monthly, fortnightly or weekly as indicated on your 2020 Family Registration Form.

It is expected that fees will be paid as per the schedule which appears at the bottom of your fee statement. Your schedule is raised as per your nominated payment choice on your Family Registration Form. Please do not wait for a reminder notice before paying your fees. Statements will be emailed out at the beginning of each month and this will show any payments made by you during this period. Please check your statement carefully and inform the College as soon as possible if there are any anomalies.

We understand that each family faces different financial situations. We are happy to work with you to ensure fees are manageable. If you have any concerns with fees or fee payments please contact the Finance Office to discuss payment plan options. In the case of genuine financial hardship fee relief can be discussed. All discussions in relation to fees are treated with the highest confidentiality.

Yours sincerely,
